President's Message...

NATIONAL NIGHT OUT 2007 – America's Night Out Against Crime!

On Tuesday August 7th, 2007 at 5:30pm we will celebrate the 24th annual "National Night Out-America's Night Out Against Crime". This national event involves over 10,000 communities from all 50 states, U.S. territories, Canadian cities and U.S. military bases around the world.

This year we will join with our neighbors from the Viola Neighborhood Association and for the first time. This is a special year for our neighbors in Viola as their community will be complete this year - culminating over a decade of planning and building in the community. Although the ages of the homes in our neighborhoods differ, our adjacent communities share many of the same concerns. This opportunity for fellowship will help our communities to bond and work toward common goals.

The National Night Out event will be held at Viola's Thompson-Gardner Park. If you are able to come, please bring a covered dish to the event. This event will be a great time for everyone involved. The Viola Neighborhood will be supplying the hamburgers and hotdogs. Come out and take a stand against crime in our community and have a great time.

National Night Out is designed to:

- ❖ Strengthen neighborhood spirit and police-community partnerships
- ❖ Generate support for, and participation in, local anti-crime efforts; and
- ❖ Send a message that our neighborhoods are organized in efforts toward crime prevention.

Residents are urged to take this opportunity to meet neighbors and friends in the community as we show a united effort against crime. This is a time to celebrate the partnerships and to bring more people into the process of preventing crime in our neighborhoods. For more information on this valuable nationwide initiative visit www.nationalnightout.org.

Come out to Thompson-Gardner Park at 5:30pm on the 7th and join the excitement in our Neighborhoods!

Best Regards,
John Edwards

HNA Monthly Meeting

EarthCraft Home Tour

The June monthly meeting took the "show on the road", getting an inside peek at the Stone Ave EarthCraft home currently under construction. Owner/Architects Mark & Lura Godfrey explained the techniques used to improve energy efficiency as well as protect the environment when building.

Summer Safety Tips!

The summer travel season is in full swing and so are burglaries. More homes are broken into during peak vacation times than any other time of the year.

- ✓ Ask trusted friends or neighbors to watch your house.
- ✓ Give your house-sitter your cell phone number or some other phone number where you can be reached.
- ✓ Have your house-sitter pick up your mail and newspapers. Do not stop delivery of those services.
- ✓ Ask a neighbor to park his or her car in your driveway to give the house a lived-in appearance.
- ✓ Set a few household lights on timers, both inside and out.
- ✓ Hire someone to mow the lawn if you're going to be away for an extended period of time.
- ✓ Don't hide spare keys outside your home. Burglars know where to look.

Neighbors Delight in Annual Garden Tour

On a sunny Saturday in late June, Heritage neighbors and friends strolled together through four different gardens. The tour culminated in a lovely lunch reception hosted by John Alibrandi.

Many thanks to John along with Sara & John Conrad, Becky Davis and John Edwards & Ginny Stroud for opening their gardens to us!
